

# Map of CCGI Regions

CCGI's Regional Engagement and Implementation (E&I) teams work with districts across the state of California to provide them with the support and guidance they need to successfully implement CaliforniaColleges.edu.

This map shows the areas served by Regional E&I Teams.

## LEGEND

- North/Bay Area Regional Team
- Central California Regional Team
- Greater Los Angeles Regional Team
- Inland Empire/South Regional Team

NOTE: Regional boundaries are approximate and may shift to meet the needs of the organization and our Partner Districts.
